Note : Quarterly financial report is not subject to quarterly review by a certified public accountant or auditing firm.

Note : Explanations and other special notes concerning the appropriate use of business performance forecasts.

The Company does not disclose earnings forecasts because the performance of the securities finance business, which is the Group's main business, is significantly affected by trends in the stock market, interest rates, and other factors.

In addition, for the purpose of disclosing information according to the type of business of the Group, the figures calculated on the basis of the outstanding balance of Margin Loan business and other assumptions are presented.

Financial results are disclosed as soon as reasonable estimates can be made quarterly.
